**ELECTRIC VEHICLES, RENEWABLE NATURAL GAS TECHNOLOGIES, CNG AND PROPANE FLEETS HIGHLIGHTED AT GEORGIA CLEAN ENERGY ROADSHOW**

SAVANNAH, AUGUSTA, PEACHTREE CITY, ALBANY, GA - 6/12/23 - The 13<sup>th</sup> annual Georgia [Clean Energy Roadshow](#) educational series, hosted by PSC Vice Chairman [Tim Echols](#) and produced by [Event Energy Partners](#) together with [Clean Cities Georgia](#), kicks off June 23<sup>rd</sup> with four tour-stops in Savannah, Augusta, Peachtree City and Albany. The series opens at the Savannah Civic Center on June 23<sup>rd</sup>, followed by stops in Augusta at the [Georgia Cyber Innovation Center](#) on June 27<sup>th</sup>, the [Rinnai Innovation Center](#) in Peachtree City on June 28<sup>th</sup> and concluding at HBCU [Albany State University](#), June 29<sup>th</sup>.

Four half-day events designed for fleet operators, local government, industry, MPOs, and other community leaders will feature a showcase of the latest technology Compressed Natural Gas (CNG), Electric and Propane vehicles paired with a lunch and learn seminar. This year the series will also highlight federal and utility funding programs for public (EV) charging and the workforce development opportunities emerging from Georgia's booming EV ecosystem. Events are free, but registration is required at [www.CleanEnergyRoadshow.com](http://www.CleanEnergyRoadshow.com)

Georgia-based headline partners, [Blue Bird](#), [KIA](#), [Club Car](#), [Georgia Power](#), and [Atlanta Gas Light](#), are joined by [Alliance Autogas](#), [Peterbilt Trucks of Atlanta](#), [MHC Kenworth](#), [Propane Education and Research Council](#), [Chateau Energy Solutions](#), and the [Georgia Department of Transportation](#) to present the latest cutting-edge advancements in commercial vehicles and the transportation industry.

With \$5 Billion in federal funding available to school systems, the [Blue-Bird EV School bus](#), the [Blue Bird Vision™ Propane bus](#) and the Thomas-Built Jouley™ will be on display. Also showcased: the NEV [Club Car™ Cru](#) and [LSV Club Car™ Urban](#), natural gas, propane and electric fleet vehicles from DeKalb County and Old Town Trolley (Savannah), the [2023 KIA EV6 All-Electric Crossover](#), [Peterbilt 220EV medium duty](#) and [Kenworth T880 NGV](#). [Chesapeake Utilities](#) and the [Municipal Gas Authority of Georgia](#) will introduce the benefits of Renewable Natural Gas (RNG) projects at landfills, poultry, and dairy farms. Albany State University will feature an additional segment on Smart Agriculture, highlighting the latest in alt-fuel farming technologies.

The Clean Energy Roadshow is the longest running mobile educational series for fleets in Georgia. For more information visit [www.CleanEnergyRoadshow.com](http://www.CleanEnergyRoadshow.com)
